

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Enterprise)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as an entrepreneur. These students have participated in activities which have an enterprise or entrepreneurial strand at their centre.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their enterprise activities, but also to capitalise on their experiences elsewhere to inform and enhance their role as an entrepreneur, and vice versa.
