

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Gaelic Outreach)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a Gaelic outreach volunteer. These students have undertaken a range of activities, selected by the students themselves which work toward raising the profile of Gaelic and creating opportunities for its use at the University and in Edinburgh.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their outreach activities, but also to capitalise on their experiences elsewhere to inform and enhance their outreach work, and vice versa.
