

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (MasterCard Foundation Scholars: Leading in Transformative Leadership)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel as a transformative leader. These students have worked purposely and actively to develop their role as transformative leaders through various leadership activities on campus and in the community.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills
- confidently demonstrate what they have to offer to others
- achieve a positive and lasting impact
- look not only at their leadership role, but also to capitalise on their experiences elsewhere to inform and enhance their role as a leader, and vice versa.
