

# THE UNIVERSITY *of* EDINBURGH

## Edinburgh Award (R(D)SVS Student Ambassadors)

This Award is given to students within the Royal (Dick) School of Veterinary Science whom the University has recognised for actively working to maximise their impact and excel as a Vet Student Ambassador for the School. These students have mentored and inspired others to pursue their veterinary studies in the future by providing guidance and insight into their own experience.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills
- confidently demonstrate what they have to offer to others
- achieve a positive and lasting impact
- look not only at their ambassadorial role, but also to capitalise on their experiences elsewhere to inform and enhance their role as an Ambassador, and vice versa
