

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Legal Placements)

This award is given to students in the School of Law whom the University has recognised for actively working to maximise their impact and excel in a legal placement. These students have undertaken placements in a wide variety of settings from voluntary organisations to professional legal firms providing students with opportunities to put their legal education and skills into practice.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase awareness of their strengths
- make the most of their strengths, identify areas for development, and work on a plan to develop these skills
- confidently demonstrate what they have to offer to others
- achieve a positive and lasting impact
- look not only at their placement responsibilities, but also to capitalise on their experiences elsewhere to inform and enhance their role in a legal placement, and vice versa
