

THE UNIVERSITY *of* EDINBURGH

Edinburgh Award (Sports Union Volunteers)

This award is given to students in the Sports Union whom the University has recognised for actively working to maximise their impact and excel as a Sports Union Club committee member. These students have demonstrated excellent management and leadership of a Sports Union club, and in doing so contributed to the satisfaction and development of their peers.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their club management role, but also to capitalise on their experiences elsewhere to inform and enhance their role as a club committee member, and vice versa.
