

# THE UNIVERSITY *of* EDINBURGH

## Edinburgh Award (TEDxUoE Committee Members)

This award is given to students whom the University has recognised for actively working to maximise their impact and excel through their roles as TEDxUoE Committee Members. These students have volunteered their time to organise the University's TEDx conference as well as a series of salon events all of which bring students and staff together from across the University to share ideas, prompt deep discussion and build connections.

In successfully completing the Edinburgh Award, these students will have been helped to:

- increase their self-awareness;
- make the most of their existing strengths and build new skills/abilities against clear development goals;
- understand the processes involved in having a planned positive impact and strategically working to excel, enabling them to have impact and make a difference whatever situation they are in; and
- look not only at their TEDxUoE work, but also to capitalise on their experiences elsewhere to inform and enhance their role as a committee member, and vice versa.
